# Easter

Easter is an important Christian holiday. Easter is celebrated on a Sunday in March or April. At Easter, some children colour eggs and some have an Easter egg hunt. Easter is a time for eating chocolate and admiring Easter bunnies. Family and friends celebrate Easter with their own special traditions. We say, "Happy Easter!"

**A** Write the month and date for Easter on the calendar.

**B** Look at the illustrations. **Unscramble** the letters to find the **Words** in the box.

**Words**

basket  
bunny  
chocolate egg  
flowers  
spring
