Hi! I am Jane. I'm 8 years old. I go to school and my favorite subject is physical education. I love sports. I go swimming twice a week. I play football in the girl's school team. I like to ride a bike in summer and to skate and ski in winter. My friends say I'm a very energetic person. But I also like to read a good book at night. I adore historical novels. I like to read about brave knights, kings and queens.

I have a sister. Her name is Alice. She is 12 years old. She goes to school. She likes Mathematics, Art and Music. She is a very quiet girl. Alice doesn't like sports, but she likes to do crafts, to knit and to draw. Her pictures are very beautiful; she is a real artist! She likes to cook too. I love her chocolate cake! We love different things, but we love each other very much.

Hi! I am Ben Williams. I'm twelve years old and I live in Liverpool, England. I'm good at sports, especially basketball and swimming. I don't like school very much because some classes are boring, but physical education is great.

My best friend loves sports, too. We are in the same class and we have swimming lessons together. He is a very good swimmer. His name is Michael and he is my age. He's cheerful and he likes telling jokes. We have great fun together.

Hello! I am from Brighton, in England. My name is Grace Preston and I am eleven years old. I love reading and I am good at writing poems. My best subject is English.

I have a lot of school friends, but my best friend does not go to my school. She lives next door and she is two years older than me. Her name is Louise and she can play the violin. She's tall and pretty. Louise is sensitive and shy. We share secrets. We trust each other. It's good to have a reliable friend.
